

## 2018 Dion Challenge Results

Thank you!

In the Spring of 2018, we launched the *Faith in Our Future* Campaign in collaboration with our beloved alumnus Donald Dion '72. This philanthropic effort was initiated to fund the St. Dom's tuition assistance program. This is our greatest need. Seventy-one percent of our families apply for financial aid. The funds raised in this challenge will be used directly to meet the needs of our families.

On behalf of Saint Dominic Academy, we would like to thank everyone who participated in the 2018 Dion Challenge! Our Board of Directors, Faculty and Staff, Alumni, our current parents and grandparents, and members of the community participated to make this challenge a success. Words cannot express our gratitude. Your generosity and support is why St. Dom's can continue our mission.

Because of you we raised \$97,192! Don Dion has generously offered \$100,000 as the match for a total benefit to St. Dom's of \$197,192! We are extremely grateful to our loyal community and to Don Dion!
