## COMMUNITY:

Saint Dominic Academy draws students from a large geographic area, with many families traveling between 30-60 minutes to be part of our community. Our geographic area in Maine is economically stable, yet primarily a working middle-class community. The area has a history of very low diversity, although that is changing with new immigrants moving into our community.

## SCHOOL:

Saint Dominic Academy is a Catholic, co-educational, college preparatory day school under the patronage of the Diocese of Portland for students in grades Pre-K to 12. The Academy consists of two campuses in Lewiston and Auburn. Faculty members are certified by the Maine State Department of Education and are members of the National Catholic Education Association. The high school, founded in 1941, has a long tradition of academic excellence in our community.

## MISSION STATEMENT:

Through study, prayer, community, and service, Saint Dominic Academy teaches its students the truth of life so that they may set the world afire.

## CURRICULUM:

The academic year is divided into four quarters and two semesters. The academic program is organized on a rotating block schedule, with four blocks of 75 minutes each. All classes are college preparatory, with a wide selection of honors, high honors, and AP level classes.

- 25 Honors/High Honors Courses: English, math, social studies, science, world languages, and art.

## GRADES & REPORTING

### Grade Point Average (GPA) & Calculation:

Saint Dominic Academy uses a WEIGHTED grading system for determining GPA. College classes begin with 4.3 points, Honors classes are higher by .3, and High Honors/AP classes are higher by .7. Beginning with grade nine, all subjects, whether passed or failed, are included in the computation. GPA is computed in December and June. Grades are expressed as letters with the following numerical and GPA equivalents

Numerical Grade (%)	Letter Grade	AP/ High Honors	Honors	College Prep	Numerical Grade (%)	Letter Grade	AP/ High Honors	Honors	College Prep
98-100	A+	5.0	4.6	4.3	82-84	C+	3.0	2.6	2.3

### Rank:

School policy eliminated class rank beginning with the class of 2019 and adopted the Latin Honors program.

### Transcripts:

Academic transcripts only include work completed at Saint Dominic Academy (grades 9-12). While academic work completed at other schools is used to meet our graduation requirements, it is not factored into the cumulative weighted GPA which is calculated at the end of each semester. Standardized testing is under the student's control and not included on the school transcript.
