2022-2023 Supply List

Dear Parents:

Welcome to First Grade for the school year 2022-2023. Your teacher will be implementing a balanced literacy program in the first grade. The program is specially designed to meet the individual needs of each child. Our goal is to create a program that will prove to be the most beneficial and successful for your child, while fostering a love of learning and reading in the process.

Your child will need certain supplies in order to give him/her the best opportunity to learn and grow within this program. We believe that the easiest, least expensive and least time consuming way for you to obtain these supplies and ensure your child has the necessities, is to have all the supplies needed already available in the classroom. All the needed supplies will be available to your child on the first day of school. There will be a one-time cost of \$40.00 for these supplies. Please send the \$40.00 with your child on the first day of school.

Since all the supplies your child needs will already be in the classroom, the only things your child will need to bring on the first day of school are:

***A full sized backpack with no wheels***

***2 boxes of tissues***

***1 set of headphones in a large baggie with name on it***

***2 containers of Clorox Wipes***

***\$40.00 supply fee***

Thank you! We look forward to seeing you in the fall!

Sincerely,

The First Grade Team

## Reading List for Rising First Graders

### Summer 2022

Hello and welcome to first grade! Here are a list of books you may enjoy reading over the summer. Some of the books are good read aloud books to share with mom and dad. There may be some books that you can read all by yourself!

I hope that each one of you will read **The Doorbell Rang**, by Pat Hutchins. I will be using this book during the first weeks of school. \* If you have a copy please bring it in on the first day of school.

**Required reading: "The Doorbell Rang" by Pat Hutchins.**

\* Parents please note that we do not expect your child to be able to read *The Doorbell Rang* on their own.
