

## 7<sup>th</sup> grade 2020 Summer Reading List

**Please read The Night Diary by Veera Hiranandani and complete one of the following activities.**

1. Research Mahatma Gandhi and create a poster, google slide presentation, or report based on your findings.
2. Create your own diary that has at least (5) entries from over the summer. It should be detailed and look like a diary.
3. Are you an artist? Create your own painting and type a paragraph explaining how you were inspired by the paintings mentioned in the novel.
4. Using glossary found in the back of the novel, create your own game that could help other students learn at least (20) new words. Don't forget to include an answer key. (Word searches are not allowed.)
5. Compare and contrast maps before and after the partition of India. In a page of typed writing, recap what occurred in 1947 and include maps to illustrate.
6. Meals and family gatherings are an important aspect of this story. Plan a traditional Indian meal for your family. Share the experience with classmates by taking pictures, typing recipes, and writing about the experience.

**Please read one free choice book.**

Go visit your local library and check out an age appropriate free choice book to read. Make sure to take a picture of visiting the library or your new book. When you post the picture, please use the following tags #amreading #librarylove #stdomsreads, so others can see what you are reading. It is also fun to have Mom or Dad tag me. (No activity required.)
