

Snack Shack Fall 2019

The All Saints Booster Club is getting ready to open the Snack Shack for the upcoming Fall sports season. This year we are excited to announce a way for parents to raise money for their child's individual team OR club. All parents who volunteer to help run the Snack Shack will earn a percentage of the profits at the end of the season. The more hours volunteered, the higher the percentage of net profit the designated team or club will receive.

The formula for how funds will be split is as follows:

- 1) Boosters will keep the Snack Shack fully stocked and train volunteers to work and split profits 50/50 with participating teams at the end of the season.
- 2) Shares will be determined by the total amount of volunteer participation hours.
 - a) Assume there is a \$2,000 net profit after all expenses are covered. Boosters retains 50% or \$1,000. The remaining \$1,000 is split via number of hours worked. Assume all the volunteers worked for a total of 100 hours. $\$1,000/100 = \$10/\text{hour}$ worked
 - b) Every parent who participated would have \$10/hour worked credited to their child's team or club account held with the St. Dom's Business Office.
 - c) A sheet will be kept in the Snack Shack for volunteers to sign in, write their hours worked, and designate the team or club they are supporting.
- 3) All financials will be public to the coaches or club moderators after the fall sports season to validate shares.

* To give an idea of how much is possible to be made, the Snack Shack earned \$500 in a 10-day period of time during practices and games during the Fall 2018 season. Just imagine the earnings for your child's team or club if the Snack Shack is staffed all season!

** No cooking experience is required. Microwave popcorn, electric kettle for hot chocolate, Keurig for coffee, hot dog steamer, and a crockpot for nacho cheese are the only "cooking" aspects. Offerings include mostly drinks, nachos, candy, ice pops and popcorn, but we will adjust offerings as wanted throughout the season.

*** Teams and clubs supported are not limited to the fall. Parent volunteers can designate winter and spring teams or any school sanctioned club to benefit from hours.
