COMMUNITY

Saint Dominic Academy draws students from a large geographic area, with many families traveling between 30-60 minutes to be part of our community. Our geographic area in Maine is economically stable, yet primarily a working middle-class community. The area has a history of very low diversity, although that is changing with new immigrants moving into our community.

SCHOOL

Saint Dominic Academy is a Catholic, co-educational, college preparatory day school under the patronage of the Diocese of Portland for students in grades Pre-K to 12. The Academy consists of two campuses in Lewiston and Auburn. Faculty members are certified by the Maine State Department of Education and are members of the National Catholic Education Association. The high school, founded in 1941, has a long tradition of academic excellence in our community.

MISSION STATEMENT

Through study, prayer, community, and service, Saint Dominic Academy teaches its students the truth of life so that they may set the world afire.
