Dear Parents & Families,

I hope this message finds you and your family safe and well.

Please be advised that for grades 7-11, third quarter grades are now available on RenWeb. Seniors have their traditional extended third quarter that will take them to the end of their academic year. Also, for seniors, I am working with the senior advisors, teachers, and the students on some creative options for Senior Involvement. It is our intention to maintain the seniors' academic schedule as planned. More to come on upcoming senior-specific events.

All students should be actively engaged in their Google Classrooms every day. Please check in with your student to make sure that they are keeping up with their schoolwork and virtually attending scheduled class events. As I mentioned before, we are maintaining our alternating "Black" and "White" day schedule. Today is a white day. We recognize that there are many different family situations out there right now with many variables in play. If you have specific circumstances that impacts your student's ability to engage in school each day, please let me know. We are here to help in any way we can.

Also, please note that in response to Governor Mill's increased restrictions, **our office staff is now working from home. We are still available by email or in some cases online.** Below is a link to Fr. Seamus's website, Onward and Upward, that he created several weeks ago. I also encourage you to subscribe to his YouTube channel. Most of the students have done so at this point. Also, to clarify, **we will be having April vacation as scheduled.**

Thank you for your continued support of our teachers. They have been working very hard for our students every day to make the best of this situation. We also appreciate feedback as it helps us to make adjustments where needed. It is helpful and welcomed.

Lastly, I am so very impressed with our students. On the whole, they are doing a great job with the remote learning - you should be very proud! We certainly are!

God Bless you and your family,

J. P.
